Job Summary Page Deltas

Core-CT 9.1 brings several changes to the **Job Summary** page. These changes include the addition of new fields, a new tab, and a new navigation.

The Core-CT 8.9 **Job Summary** page is the Core-CT 9.1 **Workforce Job Summary** page.

Navigation
(Core-CT 9.1): Workforce Administration > Job Information > Review Job Information > Workforce Job Summary
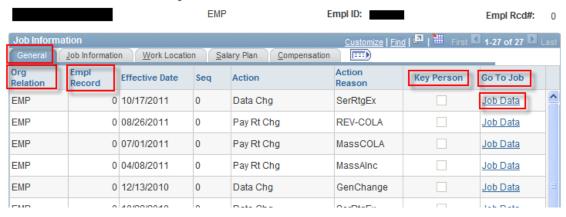

(Core-CT 8.9): Workforce Administration > Job Information > Review Job Information > Job Summary

General Tab
The **General** tab in Core-CT includes several fields that are not present in Core-CT 8.9. These fields are: **Org Relation**, **Empl Record**, **Key Person** and **Go to Job**. The **Job Data** link in the Go To Job column opens the **Job Data** page.
