

Browser: Microsoft Edge

Open the Internet Browser

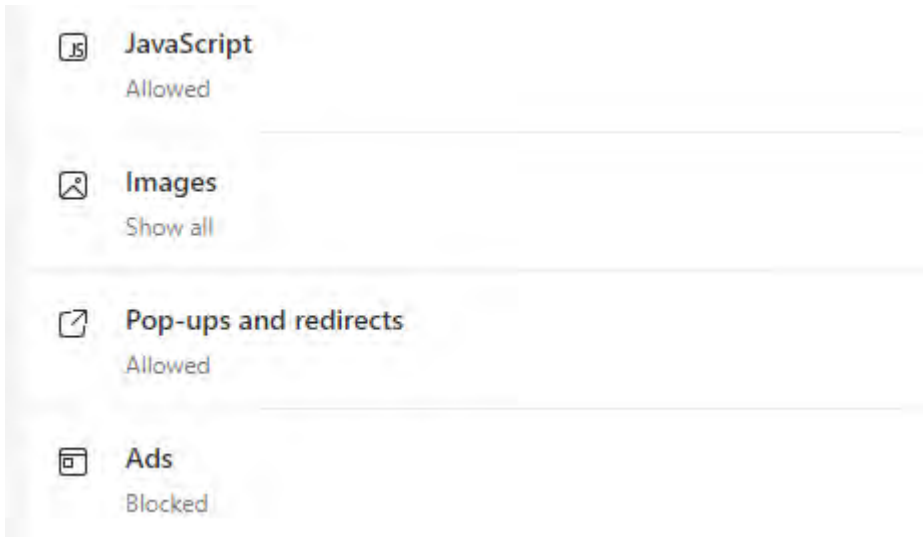

Click on the 3 dots at the top right of the page

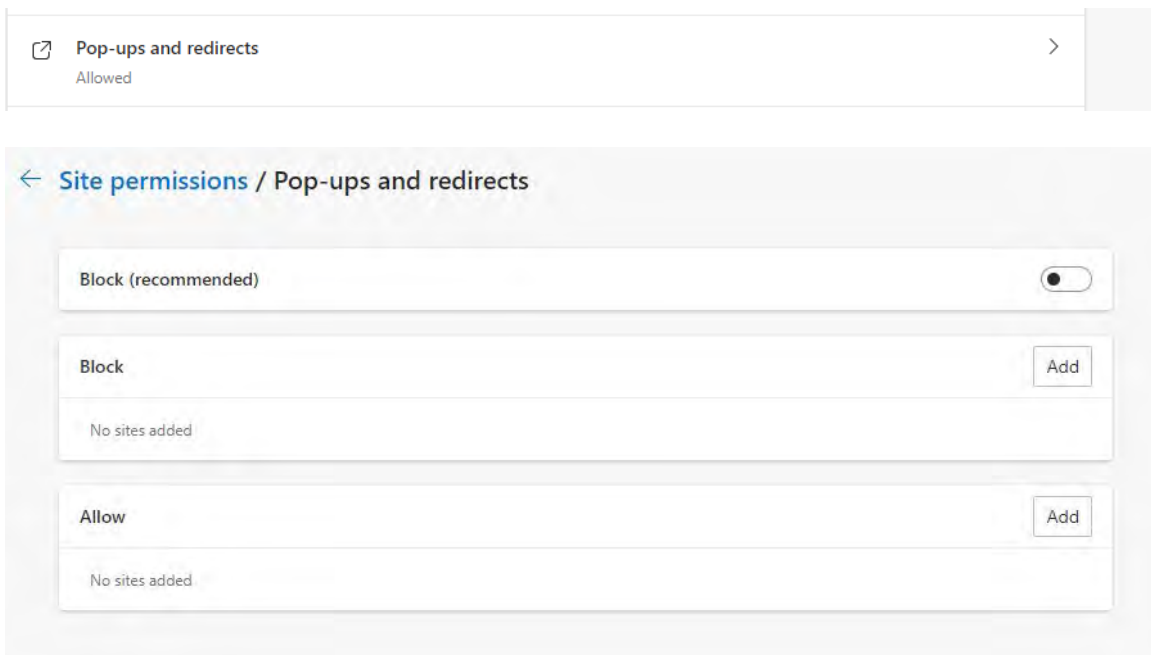

Click on Settings

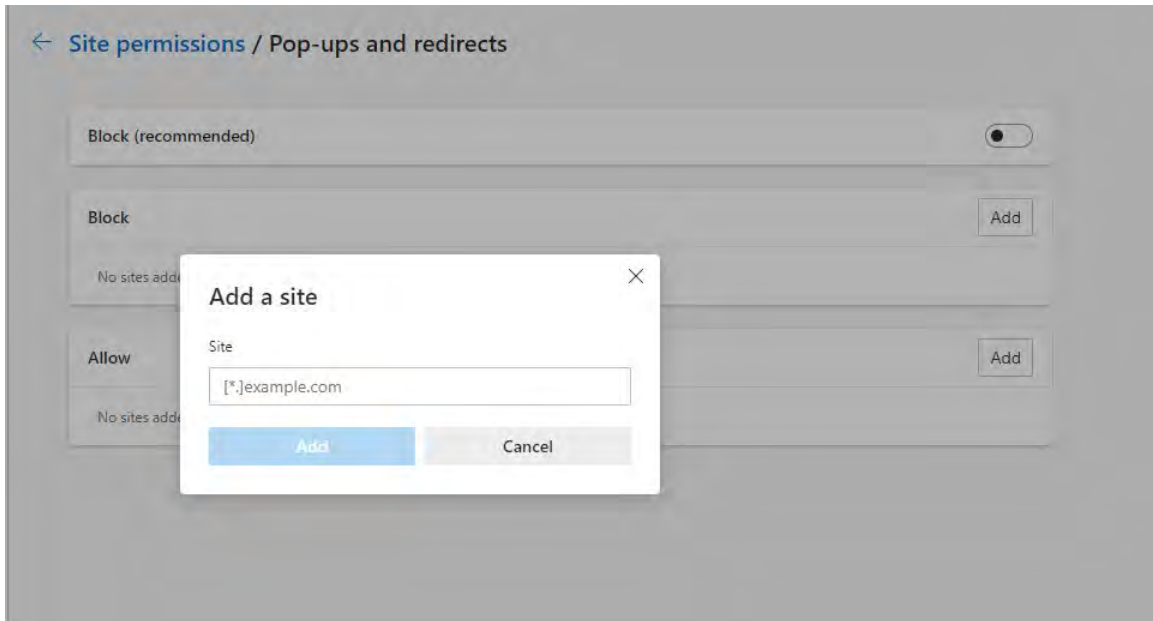

Click on Cookies and site permissions then scroll down to POP ups and redirects

You can click on the arrow at the end of the line to add sites to allow pop ups

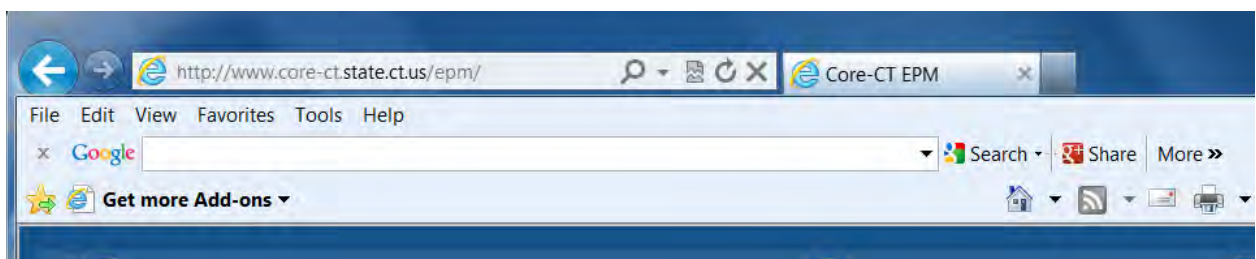

You can enter 'Corect.ct.gov' and the click add, the site will be added to the list of sites you will allow pop-ups.

Optional Tool Bars:

Please be aware other tool bars like **Google or Yahoo Toolbars** also have built in Pop-Up blockers. These may need to be modified or disabled in addition to the IE Browser Pop-Up blocker. Please contact your local IT support staff should you need assistance with this.
